

Medical Certificate for Motor Vehicle Driver

Transport Operations (Passenger Transport) Act 1994, Tow Truck Act 2023 Transport Operation (Road Use Management) Act 1995

The following information is provided to guide you through the process of when you have a permanent, or long-term medical condition and a medical assessment is required to determine whether you meet the medical criteria for the class of driver licence you currently hold, or the class of driver licence you are applying for.

Your treating doctor will undertake your medical assessment in accordance with the nationally consistent medical standards set out in the Austroads *Assessing fitness to drive for commercial and private vehicle drivers* (AFTD) publication. This publication is available from the Austroads website www.austroads.com.au. For more information about medical fitness to drive, please visit www.qld.gov.au/transport/ licensing/update/medical.

Notifying the Department of Transport and Main Roads (TMR)

If you are applying for a licence you must notify TMR about any mental or physical incapacity that is likely to adversely affect your ability to drive safely.

If you hold a Queensland or a non-Queensland licence, you also have a legal obligation to notify TMR of any new, permanent, or long-term medical condition, or any increase in that condition that is likely to adversely affect your ability to drive safely. This must be done before you continue to drive.

TMR can legally require you to give medical evidence (i.e. a current *Medical Certificate for Motor Vehicle Driver (form F3712)* completed by your treating doctor) about whether you meet the medical criteria for the class of driver licence you hold, or the class of driver licence you are applying for.

Getting your completed Medical Certificate for Motor Vehicle Driver (form F3712)

- Make an appointment with your treating doctor to determine if you have a permanent, or long-term medical condition that is likely to adversely affect your ability to drive safely. When making your appointment, advise the receptionist why you are making the appointment as this kind of medical assessment may take longer than a standard consultation. You are responsible for payment of any fees that are charged by health professionals for their services.
- To assist your treating doctor with your medical assessment, complete the health questionnaire on page 1 of the *Private and Commercial Vehicle Driver's Health Assessment (form F3195)* prior to your appointment and give it to your treating doctor. Your treating doctor will complete page 2 as part of their medical assessment and will generally retain the completed form for their records. This form is not compulsory. However, it may assist your doctor in making a medical assessment. For a copy of the form, go to tmr.qld.gov.au/Find-a-form and search 'F3195'.
- You will also need to complete Part 1 of this form prior to your appointment and give it to your treating doctor at the commencement of your medical assessment.
- If the medical assessment has been requested for a particular reason e.g. you have been issued a show cause notice on medical grounds by TMR, you need to advise your treating doctor of this reason. If you need to wear glasses or contact lenses when driving, make sure you take these with you to your appointment.
- If you drive, or intend to drive a vehicle for commercial reasons (e.g. a class MR, HR, HC or MC vehicle, drive an authorised tow truck of any class, drive a bus or a personalised transport service etc.), you must tell your treating doctor so that you are assessed correctly under the commercial standards in the AFTD.

- If your treating doctor thinks it is necessary, or the AFTD requires it, you may be required to be assessed by an appropriate specialist before your treating doctor is able to provide TMR with an opinion about whether you meet the medical criteria for a driver licence.
- If your treating doctor has referred you to an optometrist or ophthalmologist, Part 3 of this form must be completed by your treating optometrist or ophthalmologist. If you need to wear glasses or contact lenses when driving, take these with you to your appointment.
- Any reports from your specialist, physiotherapist, occupational therapist, optometrist or ophthalmologist must be given to your treating doctor before they can complete Part 2 of this form and provide an opinion regarding your medical fitness to drive.

If there is a delay in seeing your specialist

If there is a delay before you can see a specialist, talk to your treating doctor about whether you meet the criteria to hold a conditional licence. If so, your doctor may issue you with an interim *Medical Certificate for Motor Vehicle Driver (form F3712)* to cover this period on the provision that you have an appointment booked and your medical condition is not likely to lead to an acute incapacity, or loss of concentration before you see the specialist.

Your completed Medical Certificate for Motor Vehicle Driver (form F3712)

You can present this completed form at your nearest TMR customer service centre, or you can send it via:

Email: mcr@tmr.qld.gov.au

	· · ·
Mail:	Department of Transport and Main Roads
	Locked Bag 2000
	Red Hill Rockhampton Qld 4701

TMR will consider the opinion of your treating doctor and any recommended conditions/restrictions and make a decision about whether you are eligible for the class of driver licence you currently hold, or the class of driver licence that you are applying for.

Indemnity for health professionals

The Transport Operations (Road Use Management) Act 1995 provides indemnity against liability, both civilly or under an administrative process, for health professionals who give information in good faith to TMR about a person's medical fitness to hold, or to continue to hold a driver licence.

For more information

For more information about medical conditions and driving, please visit www.qld.gov.au/transport/licensing/update/medical or call 13 23 80*.

*Check with your service provider for call costs.

Privacy Statement: TMR collects this information under the provisions of the Acts nominated on this form so that you may confirm your medical fitness to drive a motor vehicle safely. TMR may disclose this information to interstate authorities that issue driver licences, pilot or escort vehicle driver accreditations, driver or rider training accreditations, traffic controller accreditations, dangerous goods vehicle licences, tow truck driver accreditations and driver authorisations, and the Queensland Police Service (QPS). Your information will not be disclosed to any other third parties without your consent, unless required or authorised by law.

Medical Certificate for Motor Vehicle Driver

Transport Operations (Passenger Transport) Act 1994, Tow Truck Act 2023 Transport Operation (Road Use Management) Act 1995

3. Do you drive, or intend to drive-

No Yes see note*

• a vehicle with a GVM of more than 8t (class MR, HR, HC, MC, UD)?

a public passenger vehicle (e.g. a bus or a personalised transport vehicle)?

This form has been provided so that your treating doctor, optometrist or ophthalmologist (if required) may provide their opinion about whether you meet the medical and/or visual standards for a driver licence for the class/es of licence you currently hold, or the class of driver licence you are applying for.

Part 1 of this form should be completed by you before giving the form to your treating doctor.

Part 2 should be completed by your treating doctor after considering any report from a specialist, optometrist or ophthalmologist (if required).

Part 3 should be completed by your treating optometrist/ophthalmologist if your vision or eye disorder is not rectified by wearing glasses or contact lenses.

Important: Parts 1 and 2 of this form must be completed in full or it will not be accepted by TMR.

Part 1 - Personal Details (to be completed by the driver)

1. Personal details

Family name	 Yes see note⁻ a vehicle transporting dangerous goods in a receptacle with a capacity of more than 500L or 500kgs?
Given name/s	No Yes See note*
	 • an authorised tow truck of any class No Yes See note*
Date of birth (dd/mm/yyyy) Contact number	*Note: To assist your treating doctor with your medical assessment,
	*Note: To assist your treating doctor with your medical assessment, please complete page 1 of the <i>Private and Commercial Vehicle Driver's Health Assessment (form F3195)</i> prior to attending your appointment. You will be assessed against the commercial standard in the AFTD.
Residential address	4. Do you need to wear glasses or contact lenses for driving?
Postcode	5. Has your most recent driver licence been cancelled, or
Postal address (if same as residential address, write 'as above')	downgraded on medical grounds, or have you been given a notice proposing the cancellation, or downgrade of your driver licence on medical grounds by any driver licensing authority, or police officer?
Postcode	No Yes
Email address	6. Do you agree to the amendment of your Queensland driver licence for the purpose of adding/removing a
Licence number (if known) State/Territory/Country of issue	condition or class?
	Yes No If your driver licence requires amendment you will need to complete a separate <i>Driver Licence Amendment (form F4358),</i> which may delay the reissue of your driver licence.
2. What class/es of licence are you applying for or currently hold?	
Motorbike (RE or R) Heavy Rigid (HR)	7. Driver's declaration: I declare that the information I have provided on this form and to my
Car (C) Heavy Combination (HC)	treating doctor is true and complete. I understand that the TMR may contact my treating doctor for further
Light Rigid (LR)	information about my medical fitness to drive, or to clarify the information that has been provided in this form. I authorise TMR to contact my relevant
Medium Rigid (MR) Specially Constructed Vehicle (UD)	health professional as it relates to my suitability to apply for, or hold a drivers licence. I further understand that action may be taken to amend,
	suspend, or cancel my driver licence or authority to drive in Queensland if it is proven the driver licence was obtained on the basis of information that I knew was false or misleading, and that I may be prosecuted as a result.

Part 3 - Eyesight Assessment (to be completed by the tr	eating optometrist or ophthalmologist) - if required					
This assessment should be conducted in accordance with the standards provided in the Austroads <i>Assessing fitness to drive for private and commercial vehicle drivers</i> (AFTD) publication, which is available at the Austroads website www.austroads.com.au.						
The purpose of this eyesight assessment is so that an optometrist, or ophthalmologist may provide an opinion to the treating doctor about whether a person meets the visual criteria for a driver licence and any recommended conditions/restrictions. An eyesight assessment is not a holistic assessment of a person's medical fitness to drive, and						
therefore, should not be used as a standalone assessment. The completed assessment must be returned to the treating doctor who will consider it in conjunction with Parts 1 and 2 of the <i>Medical Certificate for Motor Vehicle Driver</i>						
form. TMR will not accept Part 3 without the completion of Parts 1 and 2 of the Medical	Certificate for Motor Vehicle Driver form.					
1. What medical standards did you refer to in the AFTD to a	ssess this person's eyesight?					
Private Standards Commercial Standards						
2. In my opinion, the person named in this report:						
A. Meets the visual criteria for an unconditional licence	Recommended conditions/restrictions					
B. Meets the visual criteria for an unconditional						
licence as visual condition has improved and no longer needs a conditional licence and requires						
no further review. Code M may be removed from the licence once the						
treating doctor has completed Part 2 and considers						
there are no other conditions/restrictions. Provide details opposite.						
C. Meets the visual criteria for a conditional licence and requires further review (code M will be shown on the						
licence).						
Other recommended conditions/restrictions (Refer to AFTD - Conditional licences for more information).						
Provide details opposite.						
D. Does not meet the visual criteria as set out in the AFTD.						
3. What is your assessment of the person's visual acuity?						
R 6/ L 6/ Binocular 6/						
 4. Does this person need to wear glasses or contact lenses No Yes Code S will be shown on the licence. 	for driving?					
5. Visual fields
